DETAILED ACTION

Allowable Subject Matter

1. The allowed claims are 1-8.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest the recitations of the specific features of the eye-surgical holed towel, of claim 1, including especially the following:

The primary reason for the allowance of independent claim 1, is the inclusion of the opaque shielding sheet adhered to a front side of the holed towel and between the two holes at the center of the holed towel, and a lower edge of the opaque shielding sheet being adhered upon the holed towel so that the sheet is turnable along the lower edge for shielding one eye of a user, claimed in combination with the transparent PVC, and the backside separable paper with corresponding two holes.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Lanier, Annett, Levitt, Kellan, Dowdy, Bailey Jr., Nordgren, Krebs and Klein are cited to show eye-surgical holed towels and drapes.
